Community Consultation Continues

The Mangahoe/Otairi district followed on from Ohingaiti's good turnout, with a strong showing at McDougalls' residence last Thursday. The Huntermville Playcentre venue meeting was held this afternoon – at school, due to Playcentre site being closed for emergency plumbing.

TONIGHT: Rata Marae (Kohanga Room) 7.30pm All Welcome

Our facilitator Maria Dacre will bases the meetings around 6 questions:

1. What does a strong partnership between school and home look like for you?
2. What can our school do to ensure that learning is equipping your children for the future?
3. What is your connection with Huntermville School?
4. What do you want for your children when they start school?
5. What do you want for your Year Eight children when they leave Huntermville School?
6. Can you make comment on the behaviour management programme at Huntermville School?
