Huntermville Pride... "Together We Strive"
Quality Learning * Quality Behaviour * Quality Environment

Dear Parent / Caregiver

Nga mihi o te wa kia koe me to whanau (Greetings to you and your family)

Things are pretty hectic around here at the moment with around ten builders and cable layers hard at work on their respective projects. The three week cabling job should be completed by early next week, but the builders are really only one week into a ten week project.

A reminder ...

**ALL STUDENTS HOME
AT 12.00
WED 30 JUNE**

To allow for student led three way conferences that afternoon and into the evening
Buses will complete their afternoon trips shortly after 12.00 on this day.

Where this presents an inconvenience for parents we are able to provide supervision for students until 3pm.

Looking from the senior student toilet area towards the staffroom

Pictured is Miss Tory Allan who is teaching Room 3 for the final three weeks of this term. Welcome to Huntermville School Miss Allan!

Y6's OFF TO WELLINGTON NEXT WEEK

Mr Smith and our Y6 group are off to Wellington next week. Highlights will include a sleep over at the zoo and a visit to the Capital E television studios. The group will be away for three days, Tuesday to Thursday.

Three Way Student Led Conferences

Wednesday 30 June from 1.00 to 8.00pm.

- 15 minutes per session (as opposed to the previous 10 minutes).
- Students will lead a meeting with their parents, attended by the teacher, about their learning.
- Arrangements for BOOKING APPOINTMENTS will be issued early next week.
- A brief mini report (a step up from previous years) will go home with all students on FRIDAY 24 JUNE.
- We plan to make time during each student led conference for the 'parent/teacher interview' conversations you've been used to in the past.

Clarification re Room 3

R3 students will also go home at 12.00 on 30 June, but will not be involved in the conferences

Rangitikei College Taster Day – 16 June

Usually we take all our Y8s to his day.

This year we are encouraging interested students to attend with their parents. For any queries and further details please liaise with Mrs Dalley.

Last Week's Assembly Awards

- Room 1 Josh Lourie – A1 top quality amazing, fantastic start to school.
Lahyze Rei – A1 top quality fantastic effort put into her work.
- Room 1a Connor Hurley – making a huge effort to improve reading and it's happening.
Oscar McVerry – making awesome e progress in reading & writing.
- Room 2 Jade Larkan & Jazmine Huston – Great children to have in Room 2.
Welcome!
- Room 3 Rebecca Perry – having an excellent understanding and being able to show and explain her thinking when completing multiplication tasks.
Caleb Goodwin – putting in a huge effort with his dinosaur inquiry learning.
Always keen to bring along information from home to share.
- Room 4 Marlinay Theron – settling in so well in Room 4. You are a switched on learner!
Lydia Price – excellent fraction of division knowledge.
- Room 5 Rhys Watson – showing great understanding of how to do written division.
Fiona Collie – smooth, fluent reading. You also use excellent expression while you read.
- Room 6 Eli Marshall – excellent presentation of Inquiry Learning project.
Bridgette Manunui – excellent researching and presentation of Inquiry Learning Project.
- Room 7 Mitchell Smith & Harry Bonnor – excellent maths strategy knowledge.
Good to see you have always got different ways of working things out.
- Room 8 Ari Cameron-Smith – super progress in maths, problem solving and spelling accuracy.
Jordan Poulter – excellent question responses in class inquiry and Zero Waste discussions.
Isaac Taylor – much improved written English, with paragraphing used very effectively.

30kg Sheep Manure \$5.00

Ph Ryan 3276635

40 Hour Famine - last call for money & books.

Please hand into Mrs Harding tomorrow.

Girls Under 13 Rep Hockey Team Information – 2010 season

The rep season is nearly upon us and players have been asked to indicate if they are keen to trial for the U13 Girls representative team for Rangitikei. We would encourage players to think about it and give it a go if they are able to commit to -: the dates below; hard work; fundraising and a whole lot of fun!!

Costs-:

For the past few years we have been very fortunate in gaining substantial amounts of funding. We are applying for funding again but there is no guarantee that we will receive any or all that we apply for. With funding we can reduce player contributions to c\$70 each - the real cost per player has usually been around \$700+.

Team Personnel-:

Nic Symes and Kathy Norman will again be the coaching team and two Managers will be appointed by the association at the next meeting. If you would be interested in becoming part of this team please contact either Nic or Kathy for more information. Selectors will be announced prior to trials.

Trial Dates-:

Sunday 20th June 10am-12noon @ Feilding High School turf in a game format. Players need to wear a coloured T-shirt and bring a spare white shirt. This trial will be followed by a **fitness and skill session at Centennial Park on Sunday 27th June 1pm-3pm**. It is important to attend both sessions.

Weekly Practices -:

The skill and fitness training mid-week was a huge success last year so we are looking at retaining this along with Sunday practice or game versus neighbouring Association teams. Midweek sessions will be held @ Centennial Park on the Tuesdays listed below 4-5pm. Weekend practice games will be held at Feilding or an opponent's home turf. Other skill sessions may be held on small turfs, Centennial Park; Hunterville or Huntley. There is an expectation that all players undertake a personal training schedule at home over and above these training sessions

"Huntley Camp"-:

Due to the cancellation of the Marg Hiha Tournament in Napier again this year, we have decided to hold another Camp at Huntley school. This will be held the first weekend of the July school holidays

Saturday 3rd July 1-4pm

Sunday 4th July 10-3pm (possibly ending with a game v Wanganui? TBC)

Practice bookings to date:-

Midweek practices booked to date: Tuesday 20 July 4-5pm (Centennial Park)

Tuesday 27 July 4-5pm (Centennial Park)

Tuesday 3 Aug 4-5pm (Centennial Park)

Tuesday 17 Aug 4-5pm (Centennial Park)

Tuesday 31 Aug 4-5pm (Centennial Park)

Weekend practices/games booked to date: Sunday 18 July 10-12noon (FHS) – game v Manawatu?
TBC

Sunday 25 July ? (Wanganui) – game v Wanganui?

TBC

Further Sunday dates/times/locations yet to be advised

Tournament Dates -:

31 July - 1 Aug Mini Tourney 1 -: Wanganui.

4-5 Sep Mini Tourney 2 -: Napier

27-30 Sept Regional Tourney -: **Rawleigh** - Wanganui.

Contact: Nic Symes 06-3221141,0272490948; westwardho@xtra.co.nz

Kathy Norman 06-3276321,0273884571, m-k-norman@xtra.co.nz

Melanie Walshe 3228535

SCHOOLWIDE LEARNING OBJECTIVES

Room 1	Reading - We are learning to relate pictures to print. Look at the pictures as clues to meaning. Read from left to right. Point to the beginning of each word with fore finger. Say the sound at the first letter of a word when a word is hard. Look for all the other chunks within a word for clues.
Room 1a	We are learning to inquire about fire. We will ask questions about fire, including how we stay safe around fire. Maths - We are learning to count backwards from 20 and then make subtraction sentences by counting backwards.
Room 2	Reading - We are learning to read the beginning, middle and end of words, together with the picture.
Room 3	In Room 3 we are learning to write a book report by including our opinion of a favourite book.
Room 4	We have been learning to write an informative report. Success Criteria: <ul style="list-style-type: none"> • Use technical words. • Write only factual statements. • Write in present tense.
Room 5	Maths: Measurement Stage 3/4 I am learning to find the area of shapes. Stage 5 I am learning to read time tables using digital time. Stage 6 I am learning to convert between digital and analogue times.
Room 6	Reading - We are learning to lead a three way conference sharing our learning in writing and mathematics.
Room 7	Room Seven is learning to use a variety of strategies effectively when working out everyday maths problems.
Room 8	Reading - We are learning to infer - to read "between the lines" and gain deeper understanding of "inferred" ideas.
