Rippa Rugby

For the third weekend in a row the Rippa teams hit the road to Wanganui for rugby. Thankfully the rain that fell wasn't too heavy for those spectators that weren't so prepared for the conditions! And enough mud on the paddock to give all the players a good covering especially with all the sliding tries run in by our team!

Our teams are showing a lot of improvement from playing as a team twice a week (at Wednesday's practice then again on Saturday). Having the two smaller teams is also proving to be a great move especially when you see the number of children in the opposition standing on the side-lines for a lot of the game. We don't want our players on the side-line when we have travelled so far to play & a sure way of putting them off rugby.

Maroon played Kaierau and notched up another win by two tries in a high scoring game. Maroon put together some good passing following rips to keep play flowing and when receiving the ball they put their heads down and ran! Madelyn Parkes and Lachie Flower both had great games with great runs up the field scoring tries & getting rips which is much harder than it looks. Hayden Whinn was named player of the day running in a heap of tries with some excellent sidesteps & weaving through the opposition to score these.

Rippa Rugby Hunterville Black

On Saturday we played Marist White at Springvale Park. Although a bit wet and cold the team played well, drawing 9 all.

Tries were scored by Marcus Murray, Neko McDougall and Harley Edwards-Sheridan. Harley received player of the day, making some great rips, doing some big runs and scoring tries. Trystan McKay also did a couple of good runs including one that was most of the paddock long but got ripped just before the try line. Well done team!
