Power Outages Expected Tomorrow – No Pie Warmer

Work is due to be carried out tomorrow to upgrade the power supply to the pole across the road from school and it's quite likely we will have no power from around 11am, for the rest of the day. The best case scenario is that the power will only need to be off for an hour or so after lunch – but that won't be known until the time.

So the message is: The pie warmer service will NOT be available tomorrow – please do not send items to school for your child's lunch that will need heating.

HAVE YOU UPLOADED THE FREE SCHOOL APP?

1. For ipads, iphones & android phones. (E.g. Samsungs, HTC, etc, etc - android version 4.0 or newer).
2. On app store or play store, search for and install the app named "HunternvilleSchool".
3. Now you can receive message alerts, notify absences and check the school newsletterand much more.

Issues? Queries? Please get in touch and we'll talk you through it.

OLD TEXT SERVICE TO STOPNEW TEXT SERVICE TO START

- From the start of next week we will stop sending out text messages on the old system – the one you had to text "follow @hvllschool" to 8987 to join. WHY? – because Vodafone customers cannot receive the texts, AND the new school app is a better service!
- **SO** – if you haven't got a smartphone and/or your phone doesn't support the new app, **SIMPLY CONTACT JACQUIE** or I and we will add you to a group texting list on my personal phone.
- Then when we need/want to send a message you will receive it whether you're with Spark or Vodafone or whoever! (The same message will also be sent via the app so no need for you to be on both systems.)

We are getting through the season now and its pleasing to see how the team have developed their skills and grown in confidence. If there's any up and coming 5yr olds that want to come along to practice to see what Ripper is all about they are welcome. Lachie Flower is our most recent recruit and he's going great!
