Number 33 Shines In Demolition Derby!

Scott Carman and Chris Price took a group of senior boys for the 'Fun with Cars' electives back in September. Their project came to fruition in Saturday night when their vehicle they had been preparing proudly took its place amongst 55 other vehicles in the demolition derby event at Palmerston North speedway.

Both Scott and Chris put a huge amount of their time and energy into giving our boys such an amazing experience. Check out some photos on our Facebook page.

Our boys involved: Harry Cherrie, Jordan Hughes, Hayden Robb, Josh Lourie.

RATA MARAE FRIDAY 8 DECEMBER

Including a visit from Father Christmas at the end of the day!

We have a great little committee of parents and staff already working behind the scenes to make this another great day for our students and whanau.

You may be able to help us in a number of ways (besides accompanying us on the day!)

- A. As a resource person? We're looking for people willing to take small groups of students for the likes of flaxwork, poi, stick games, hangi preparation, legend telling, string games, etc, etc. Could you do this or do you know someone who could do this?
- B. Food for hangi? To feed 250 people. We'll call for veges in the week prior, but are you able to pledge any meat at the moment? E.g. lamb shoulders, shanks, pork, beef roasts, chickens, etc.

Thanks! Please complete the slip at the bottom of this page if you can help out as above.
