Huntermville Pride... "Together We Strive"

Quality Learning * Quality Behaviour * Quality Environment

Dear Parent / Caregiver

Nga mihi o te wa kia koe me to whanau (Greetings to you and your family)

Our fibre optic cabling team from Transfield have been here for a week and have another fortnight scheduled here laying internet cabling throughout the school.

Noels building arrived on Friday and started in earnest today on the staffroom phase of the staffroom/admin project. The passageway area from the staffroom to Room 5 is being blocked off and so for the next month until the end of term.

- The staffroom will be located to the 'old Room 8' between the office and Room 7.
- The medical room will be in there too.
- There will be no access through the hall stage area into the passageway by the staffroom.

ALL STUDENTS HOME 12 MIDDAY WED 30 JUNE

..... To allow for the student led learning conferences from 1-8pm that day.
(Room 3 students home at this time too).

Where this presents an inconvenience for parents we are able to provide supervision for students until 3pm.

Room 3 Parent/Teacher Interviews Tomorrow

Miss Green sent home appointment slips for parents who had returned their slip requesting an interview time.

It's still not too late - please contact Mrs Harding in the office and she will slot you in where there's a gap.

Please note the parent/teacher interviews are in Room 3. Room 3 students are being taught in the library tomorrow afternoon by Miss Tory Allan.

FAREWELL MISS GREEN

This is Hayley's last week with us for some time as she takes maternity leave from next week.

Miss Tory Allan will be teaching Room 3 for the remaining three weeks of term, with Mrs Julie Taylor all set to teach Room 3 for terms three and four.

I know you will join us in wishing Hayley and Greg all the best for the birth of their first child, due in early July.

COMMUNITY NEWSLETTER

Finished at the end of last week and issued to rural delivery agents today.
(Also on our website as of yesterday).

Next BOT Meeting

Monday 21 June at 5pm.
(Note new time slot).

Successful Start to Electives Last Friday

Twenty four separate programmes kicked off on Friday afternoon, catering for the interests and curiosities of our 104 Year 5-8 students. The programme continues for the next two Friday afternoons (1.30-3pm) and on the fourth and final session this is a shorter session starting at 1pm before we hold a sharing session in the hall from 1.50 - 3pm.

Pig Hunting & Deep Sea Fishing: These two electives are planning major 'off site' trips for our students. In both cases the adult to child ratio is *one adult for every two children* and safety issues are paramount.

In both cases the co-ordinators (Chris Price for fishing, and Ken Duncan for hunting) will be contacting students' parents in person to outline their trips and to answer any queries/concerns).

Rangitikei College Taster Day – 16 June

Usually we take all our Y8s to his day.

This year we are encouraging interested students to attend with their parents.
For any queries and further details please liaise with Mrs Dalley.
