Y8 student Jordan Hughes Wins a National Competition!

Jordan Hughes was one of 6 equal prizes in a national writing competition which drew 500 entries!

Competition sponsors Office Max rep Mrs Maureen West announced Jordan's win at assembly yesterday and presented him with a gift pack for himself and one for the school with a combined value of \$1000!

The criteria for the competition was to write an essay outlining an invention that would make a positive difference for people. Jordan's essay was based around developing a microchip that would be inserted into everyone and be able to detect illnesses and health issues!
